

FUTURE TENSE

Mini Lesson: Simple, Progressive, Perfect & Perfect Progressive

Simple Future expresses actions that have yet to begin.

Example:

The carnival will come to Puerto Rico during summer.

The tutor will finish the work soon.

Future Progressive indicates continuing actions in the future.

Example:

The student loans will be coming due over the next three years.

After the graduation, we will be celebrating like there is no tomorrow.

Future Perfect tenses are actions that will be completed by a specified time in the future.

Examples:

In five years, your investment will have doubled.

By 2020, job rates will have increased.

Future Perfect Progressive indicates continuing actions that will be completed by some specified time in the future.

Example:

In June, I will have been working at BWC for a year.

I will have been playing LOL for three years by then.
